(weather permits)

Head to Ta' Betta Winery to experience Maltese wine culture. Enjoy a wine tasting session and learn about the local winemaking traditions at a quite untraditional passionate love for good wine.

Visit Malta Glass to witness the art of glassblowing. You can watch skilled artisans create beautiful glass pieces and bring some souvenirs home.

Conclude your day with a delicious dinner at an authentic local restaurant. You can savor Maltese cuisine and perhaps some of the wines you tasted earlier.  
We have it all sorted for you!

# DAY 3

## *Valletta*

Explore Valletta, the charming capital of Malta, led by an experienced guide who will bring the island's enchanting tales and hidden gems to life, ensuring your exploration is both informative and magical.

Head to a famous local taverna for an authentic Maltese lunch. Try traditional dishes, with some new Maltese wines to taste.

Visit St. John's Co-Cathedral, a magnificent Baroque church. We already thought about your tickets to avoid queues and explore the interior, known for its stunning artwork, including Caravaggio's "Beheading of Saint John the Baptist."

Take some free time to explore Valletta independently. Visit Upper Barrakka Gardens for panoramic views, browse local shops for souvenirs, or simply relax in one of the city's cafes.

# DAY 4

## Gozo

We start our day with a tour of Gozo's beautiful sights. Visit the Victoria Citadel and Indulge in an unforgettable culinary experience in Citadella. Try gozo Cheeselets, marinated with herbs and spices, olives, and sun-ripened tomatoes. We will not forget to pair your meal with a glass of local Gozitan wine for the perfect combination of taste and ambiance.

We then explore more of Gozo's natural beauty, visit the Ta Pinu Basilica and head to salt baths where you can take some of the world's best salt home; truly indescribable beauty of this island will swap you off your feet...

Unforgettable wine tour at one of Gozo's wineries. Taste some local wines and not only the wine - homemade limoncello, hand made olive oil, the cheese from nearby farm... You name it all...and of course, the vineyard's atmosphere.

What do you think about some seafood for dinner before catching a ferry back?

# DAY 5

## *Mdina - Birgu*

Venture to the ancient, timeless city of Mdina, where history whispers from every cobblestone. This walled city, known as the "Silent City," will transport you to a bygone era with its medieval charm, winding alleys, and awe-inspiring architecture.

Take some free time to explore the Mdina and Rabat area independently. Visit the Cathedral, and Catacombs and make a coffee break at Fontanella Tea Garden while enjoying panoramic views over the island.

We have a break and late lunch at Lulu to regain some strength for the late Dark Malta tour, and to hear some mysteries from medieval times.

Come on a tour of Birgu, one of Malta's oldest cities, and discover its long history of magic, witchcraft and ghosts. Learn why people used to spit on an ancient statue as they entered the city; why a 16th Century Bishop of Malta ordered his men to beat up priests in the cathedral. We'll also tell you how witches were tortured; and why the Order of St John's navy was once flipped upside down; and you'll see where ghosts roam the city's palazzos and fortifications.

# DAY 6

## *Art & Wine Tasting Party*

Today we are heading to the other side of the island. Sliema and Tigné Point are popular areas in Malta, known for their picturesque waterfront, dining and shopping. We will guide you around and then you are free to explore the area at your own pace.

It doesn't matter if you haven't picked up a brush since school... The evening with a famous Maltese artist awaits. Few hours of fun, creativity and laughter. A masterpiece to take home with you, together with warm memories and new friends.

Ending it with a farewell dinner at the Lulu hotel - a home to creativity and passion, will make it even more special and full of surprises!
